

chapter 6:
Fall from
Grace

INT. DIAMONTEN TEMPLE - ALTAR - EVENING

Super Yinaku stands before Vayelan, clenching his right fist.

Vayelan stands as before; calm, but intent.

VAYELAN

Your appearance has changed, but
your attitude is still as rotten as
ever, Yinaku. It saddens me to see
I have failed to leave a lasting
impression on you.

Super Yinaku raises his clenched fist at Vayelan.

SUPER YINAKU

We both know I was to become the
Kami of Yugoku! You should've been
ineligible, Dragon!

VAYELAN

You were passed over due to the
darkness in your heart, Yinaku.
Perhaps, you need a reminder of how
far that will get you in life.

Super Yinaku laughs.

SUPER YINAKU

Try me, old fart! While you fight
me in here, the girl lies dying in
the inner hall. Everyone else is
either tied up in warding off my
offspring or busy with the beast.
There's no way you can save...

Vayelan closes his eyes and throws down the staff.

VAYELAN

ZENKAI BURST!

Vayelan opens his eyes, and his muscles expand three times
their original size.

SUPER YINAKU

Zenkai what?

Vayelan sweeps forward and belts Super Yinaku in the gut so
hard, he flies out of the altar, through the wall of the
inner hall, and into another room.

Vayelan's muscles relax as he steps into...

THE INNER HALL

Vayelan walks up to Kari's crumpled body, still bleeding out. He holds his hands a few inches above her wounds.

VAYELAN
ZENKAI RESTORE!

Kari's wounds begin to heal as she regains consciousness.

KARI
Zanom!

VAYELAN
You must listen to me, child. Go,
and calm him down. Lower his
adrenaline levels; that will bring
him out of his Ikarin state.

KARI
What happened while I was out?

VAYELAN
We are under attack from Yinaku.

SUPER YINAKU (O.S.)
That's Super Yinaku, now!

Super Yinaku steps out of the debris and into the inner hall.

SUPER YINAKU
Nice parlor trick, Kami Vayelan,
but you won't have a second chance
to use it. Not on me.

KARI
Kami? You're a Kami?

VAYELAN
I am, indeed, a former Kami, my
dear. I was hoping to keep it a
secret.

KARI
But why?

SUPER YINAKU
He's done some unspeakable things,
Kari. He's been a very naughty boy.
Somebody needs to pass sentence on
him.

Kari turns to glare at Super Yinaku.

CUT TO:

EXT. DIAMONTEN TEMPLE - TEMPLE GATES - CONTINUOUS

Masa and Jaina attempt to retreat as Ken approaches them.

KEN

Don't bother getting up. I'm just
going to put you back down in a
moment, anyway.

Jaina reaches behind her back and pulls a flash bang out of
her belt. She flicks a switch on it and tosses it at Ken.

KEN

Shit!

Ken braces himself, while Jaina and Masa fly off in retreat.
The flash bang explodes. Sora's face loses its color.

SORA

Ken! Ken! Can you hear me?

The light dissipates, and Ken covers his eyes.

SORA

Oh, my gosh! Ken, are you okay?

KEN

I can't see! Dammit! I'm fighting
blind!

HALO (O.S.)

Rogue demon incoming!

SORA

Not now!

Ikarin plows through the temple walls with Halo, Gozu, and
Mezu close behind.

Ikarin leaps into the air to attack Sora, but Kari teleports
in the way and kicks him to the ground.

HALO

Kari! You're healed!

KARI
I'll explain later. Right now, we
have to lower his adrenaline
levels. Vayelan says it's the only
way to calm him down.

GOZU
Leave that to me.

Ikarin stands back up and CRICKS his neck. He glares at Kari
and prepares for a second attack.

Gozu jumps in front of Kari and prepares to counter with his
own attack.

GOZU
HYPNOTIC SLUMBER!

Gozu extends his hands in front of him at Ikarin. Ikarin
slows down and struggles for a moment before reverting back
into Zanom.

Zanom passes out.

KARI
Zanom!

KEN
Sora, what's going on?

SORA
I can honestly say I see it, but I
don't believe it.

KEN
What? What don't you believe?

Kari runs to Zanom's side.

GOZU
Don't worry, Kari. Your friend is
fine. He's just exhausted from the
amount of energy he's spent on his
aggression.

SORA
But what caused it?

Kari glares, looking back at the temple.

KARI
What, indeed.

INT. THE INNER HALL - MOMENTS LATER

Vayelan dodges Super Yinaku's energy blasts.

SUPER YINAKU
You can't dodge me forever,
Vayelan! You can't escape your
past!

VAYELAN
Neither will you.

Super Yinaku stops firing a beat.

SUPER YINAKU
You say such interesting things, as
if you actually have a clean
conscience.

VAYELAN
My conscience may not be clean, as
you say, Yinaku, but I've worked
hard to atone for my past.

SUPER YINAKU
Spare me your self-righteousness.
If Kami Vornak knew what you had
done, I'd be Kami right now.

VAYELAN
If Kami Vornak were here to see
what you've become, do you honestly
believe he'd choose you to succeed
him?

SUPER YINAKU
You're a fraud, Vayelan! I won't
rest until you rot in Jigoku from
whence you came!

Super Yinaku lets out a massive energy wave that blows
Vayelan back into...

THE OUTER HALL

Vayelan picks himself up off the floor, but Super Yinaku
unleashes another energy wave.

This time, Vayelan dodges.

VAYELAN
I have no intentions of rotting
anywhere, any time soon. Not from
the likes of you.

Mezu, Halo, and Kari enter the outer hall behind Vayelan.

SUPER YINAKU
It would seem I'm outnumbered.

VAYELAN
I command you to leave at once,
Yinaku.

SUPER YINAKU
I take no orders. Not from you,
Vayelan.

MEZU
So be it.

Mezu starts to brace for a fight, but Vayelan puts his hand
out to stop her.

VAYELAN
No, I must handle this one, Mezu.

MEZU
Understood, Master Vayelan.

Vayelan closes his eyes for a moment and concentrates before
opening them again.

VAYELAN
ZENKAI BOOST!

Vayelan's aura rises around him, blowing everybody except
himself and Mezu against the walls.

He pushes out an open palm, and Super Yinaku flies back 250
yards down the outer hall.

Vayelan pulls his hands around 180 degrees, and a gust of
wind pushes Super Yinaku outside the Temple Gates.

EXT. DIAMONTEN TEMPLE - TEMPLE GATES

Super Yinaku regains control of his trajectory, as Zanom
wakes up behind him.

Ken begins to regain his vision, but it's blurry and
cross-eyed.

SORA
(whispering)
Zanom, stay down.

ZANOM
(whispering)
Not a chance.

SUPER YINAKU
You think this is child's play, old
man? What kind of game do you think
this is?

Zanom leaps up and tackles Super Yinaku from behind.

ZANOM
Dog-pile on the ass-hole!

Zanom's attack catches Super Yinaku off-guard, as they both
fall off the edge of the floating temple and down to the
volatile planet below.

After a few moments, both of them are out of sight, having
fallen prey to Sol's enormous gravitational pull.

KARI
Zanom! No!

EXT. SOL - LATER

The planet's surface is littered with active sulfuric
volcanoes, ready to erupt at a moment's notice.

Zanom lies unconscious at the edge of a volcano with a giant
gash across his forehead.

Super Yinaku floats above him, ready to shoot the kill.

SUPER YINAKU
So close, but you just couldn't
finish the job. You are a failure,
Zanom. It's time to end this once
and for all.

Just as Super Yinaku prepares to fire an energy blast at
Zanom, a volcano erupts beneath him.

Super Yinaku falls to the ground.

SUPER YINAKU

(internal)

Damn! There's too much electrical interference in this area to summon my energy. No matter. He'll be dead soon enough.

Super Yinaku runs away from the volcanoes.

SUPER YINAKU

(internal)

Now to find an area without electrical interference, so I can escape from this blasted planet.

EXT. DIAMONTEN TEMPLE - TEMPLE GATES

Kari and the others gather into Sora's Star Runner. Halo puts his hand on Kari's shoulder.

HALO

Hey, we'll find him. Don't worry.
I'm sure he'll be okay.

KARI

You have more faith in Yinaku's mercy than I do.

KEN (O.S.)

Hey, guys! Geographical info on the ship suggests the volcanoes are going to blow soon. Better hurry.

Kari and Halo exchange worried looks and head into the ship.

EXT. SOL - MOMENTS LATER

The rock Zanom lies upon begins to crumble under his weight and the impending eruption.

Zanom falls deeper into the volcano's crater, as the magma and sulfuric smoke and ash begin to rise.

FADE TO BLACK.
