Zanom Danvers

EXT. SINAI TEMPLE OF KIGOKU - EARLY MORNING

Super Yinaku stands before Jaina's lifeless body. He CHUCKLES, while Kari and Halo tend to Jaina.

HALO

She's not gonna make it.

SUPER YINAKU

That tends to happen when I kill someone.

Kari turns and glares at Super Yinaku. She stands up and prepares to fight.

MASA

Hey, don't you think that was a little extreme, Pops? She was one of us...

SUPER YINAKU

Silence! I've had enough insubordination from my own children for one lifetime. It's time I clear the gene pool.

MASA

But...

SUPER YINAKU

I know all about her little chat with Zanom. She knew I wasn't ready for that yet.

KARI

Is that all? You've made one very big blunder, Yinaku... Or should I say Auron?

Super Yinaku's eyes widen for a moment.

SUPER YINAKU

So, you've figured it out, eh? Bad move leaving Zanom's new lover alone, then.

HALO

Lover? You mean you didn't recognize Sora at all?

Super Yinaku pauses a beat.

SUPER YINAKU
Sora... Sora...

Super Yinaku's face suddenly turns pale.

SUPER YINAKU
Dammit, Jaina! I knew she looked familiar!

KARI
Smooth one, Halo!

Halo hangs his head in shame.

HALO
Sorry.

SUPER YINAKU
No matter. It still amuses me that much more. Masa...

MASA
Yeah, Pops?

SUPER YINAKU
I'll go take care of Sora. I want Halo, here, dead.

MASA
What about the girl?

SUPER YINAKU
Spare her... For now. She's our bargaining chip.

MASA
R-right!

Kari and Halo brace themselves in a fighting stance.

Super Yinaku teleports away.

HALO
We could really use Zanom and Ken about now...

KEN (O.S.)
FLAMING JANKEN V!

A flaming boomerang-shaped energy attack beans Masa upside the head.

MASA
Ah! What the...

KARI

Ken? Zanom?

Zanom and Ken teleport in.

ZANOM

Hey, hope we're not late for the party.

HALO

Super Yinaku just had sex with your mom, and now he's going to kill her!

Zanom starts to take off, but he notices Jaina's hand barely reaching for him.

ZANOM

Um... I see you guys got trigger happy...

KARI

Actually... That was Super Yinaku when he realized she betrayed him.

ZANOM

Interesting.

Zanom kneels down next to Jaina.

MASA

What do you think you're doing?

ZANOM

Shush!

Zanom extends a hand at Masa and blows him back with a gust of cold air.

He puts his hands over Jaina's wounds and meditates.

KARI

Zanom, what are...

KEN

Shh... He's concentrating.

Zanom opens his eyes.

ZANOM

Zenkai Restore!

With a burst of zenkai energy, Jaina springs back to life.

JAINA

What the...

Masa frowns as he picks himself back up.

ZANOM

Come with me; I'll explain later.

Zanom grabs Jaina's hand and teleports away.

KEN

Shall we end this?

MASA

Well... Shit.

INT. SORA'S APARTMENT - KITCHEN - LATER

Sora sits at the table, wearing a bath robe and sipping some coffee. She has a TV on in the background. Auron walks in.

AURON

Hi, honey.

SORA

You take care of everything you needed to take care of?

AURON

Almost.

SORA

Then what are you doing here, babe?

Sora goes in for a kiss, but Auron pushes her away.

Auron transforms into Super Yinaku.

SUPER YINAKU

Finishing the job.

Sora tries to scream, but Super Yinaku grabs her by the throat.

Zanom and Jaina teleport into the kitchen.

Zanom grabs Super Yinaku by the shoulder, spins him around, and punches him in the face.

Super Yinaku lets go of Sora in the confusion.

SUPER YINAKU

So... You're back, already.

Super Yinaku notices Jaina standing in the kitchen, as well.

SUPER YINAKU
I thought I killed you.

JAINA
Yet another one of your miserable
failures as a leader.

ZANOM
Mom, get out of here.

Sora stands and nods her head in shock.

ZANOM
(yelling)
I said get out of here! Do it now!

Sora runs out of her apartment. Within moments, the fire
alarm goes off in the entire building.

SUPER YINAKU
Does she really think that the fire
department can do anything to me?

ZANOM
Perhaps not, but I can!

Zanom powers up to his fullest potential. His hair turns
white with blue highlights. His eyes turn silver, and he
develops white stripes on his face. Zanom's aura turns
white. Zanom has now become AIZEN.

While Aizen powers up, various objects in the kitchen blow
around like rag dolls. A slice of bread pops out of the
toaster.

AIZEN
This is what you've always wanted,
right? For me to become a
full-powered Demon? You wanted a
ticket to the show, now pay the
price of admission!

Jaina whispers something in Aizen's ear.

AIZEN
We're taking this to the Sinai
Temple of Kigoku.

SUPER YINAKU
Are we, now? What if I don't want
to go?

Aizen extends his hands in front of him and traps Super Yinaku inside a ball of energy, which then disappears.

JAINA

Where did you learn all this?

AIZEN

I said I'd explain later, didn't I?

INT. SINAI TEMPLE OF KIGOKU - ALTAR

The energy ball reappears above the altar pool in the Temple, followed shortly after by Aizen and Jaina.

AIZEN

It's over, Yinaku. You lost.

Super Yinaku CHUCKLES. This catches Aizen by surprise.

SUPER YINAKU

You say it's over. I say it's only just begun.

Super Yinaku powers up his aura and breaks free from Aizen's energy ball.

SUPER YINAKU

I know all about your lack of universal energy, Zanom. State of Aizen or not, you still don't have the power to defeat me. Not yet. Until you're written in the Yugokan Codex, you don't stand a hope of a chance against me. I, on the other hand, still have my trump card...

Super Yinaku snaps his fingers.

CUT TO:

EXT. SORA'S APARTMENT - MOMENTS LATER

The Roma Police arrives, led by Gene Stratos. The apartment building bursts into flames, as the portal to Jigoku opens where Sora's bedroom once stood.

The portal rises into the early morning sky.

GENE

Call for back-up! Now!

Gene runs over to Sora, who stands in shock.

GENE

I thought you said it was going to
be at the Temple of Kigoku!

Sora ignores him, still muttering in shock.

SORA

He was going to kill me.

GENE

Ms. Danvers, it's not safe here! We
have to go!

SORA

The son of a bitch was really going
to kill me.

GENE

Ms. Danvers...

SORA

I almost died...

Gene pulls Sora away from the portal.

CUT TO:

INT. SINAI TEMPLE OF KIGOKU - ALTAR

Super Yinaku CACKLES.

SUPER YINAKU

You came back here to prevent all
this from happening, and you've
failed! Your whole mission is a
disaster!

Aizen trembles with a blend of rage and reservation.

SUPER YINAKU

Your timeline has been erased and
written over, I've collected all
the Kami Pearls, I'm stronger than
ever, and all you can do is stand
there like the little failure you
always were. Admit it, Zanom. It's
over. I've won.

A Flaming Janken V attack speeds toward Super Yinaku's head,
but Super Yinaku dodges.

Aizen looks at its origin and finds Ken, Halo, and Kari.

Aizen glances over at the altar pool, and lunges in with a large SPLASH.

JAINA

Zanom! No! You'll be purified instead!

ANGLE: THE ALTER POOL.

Aizen grabs the blue Seigoku Kami Pearl, and the Holy Water freezes into ice. Aizen's body pulsates the moment he touches the Kami Pearl.

The Seigoku Kami Pearl absorbs into Aizen's body, and a tremendous explosion of zenkai energy and universal energy shatters the ice in the altar pool.

The other Kami Pearls each glow and fly off into different directions. The green Tengoku Kami Pearl finds its new home with Kari. The purple Yugoku Kami Pearl merges with Jaina.

The same transformation takes hold of them as it did with Aizen.

SUPER YINAKU

What just happened?

AIZEN

Two things, Yinaku. First, I was conceived; I now exist. Mistake number one.

Aizen belts Super Yinaku in the stomach.

AIZEN

Second, the Kamis are back. This is my realm now. Mistake number two.

Aizen elbows Super Yinaku's spine, sending the Demon to the floor with a broken spinal column.

SUPER YINAKU

Masa!

AIZEN

It's over, Yinaku. You still lost.

Before Aizen could deal the death blow, Masa jumps in the way and forces Aizen to dodge.

When he lands back on the ground, Aizen has already reverted back to Zanom.

ZANOM
Dammit! I took too long!

SUPER YINAKU
So, you still haven't had the time
to learn how to control your new
form, eh?

Zanom looks down at Super Yinaku and frowns.

ZANOM
ZENKAI BURST!

Zanom's muscles expand four times their size. He steps on
Super Yinaku's head, crushing it and killing Super Yinaku.
Zanom relaxes his muscles, and they return to their normal
size.

JAINA
Did... Did that just happen?

ZANOM
Not gonna lie; that felt amazing.

Masa tries to escape, but Halo fires off an energy attack.

HALO
SOUL DAN CHI!

The Soul Dan Chi wave hits Masa head on and vaporizes him
instantly.

JAINA
You do know Dad can regener...

Zanom jumps into the air, and readies his own attack.

JAINA
Oh, boy...

KEN
Duck and cover!

The Shamans and Jaina run out of the altar just as Super
Yinaku's body starts twitching.

ZANOM
RYUU...

Super Yinaku's spine realigns itself.

ZANOM
BAKU...

Super Yinaku sprouts his head again.

ZANOM

HA!

Zanom fires an immense Ryuubakuha Wave at Super Yinaku. Super Yinaku tries to catch the Wave, but it's no use. The Ryuubakuha Wave is too strong and incinerates him in an instant.

SUPER YINAKU

DAMN... YOU!

When the dust settles, all that remains of Super Yinaku is a giant crater on the floor where he once stood, trying to deflect Zanom's attack.

ZANOM

I... did it...

Zanom pants heavily as he collapses on the floor, exhausted.

EXT. SORA'S APARTMENT

The portal to Jigoku closes, but not before several glowing entities exit the portal and fly away into the night.

Fire crews rush to put out the flames, while Gene herds the crowds to safety.

Runa arrives on the scene to take care of Sora.

RUNA

Sora! Sora, are you okay? Oh, my Godor!

Runa runs up to Sora and gives her a big hug. Sora sobs into Runa's shoulder.

RUNA

It's okay, Sora. I'm here for you. It'll all be okay.

Zanom and Ken teleport to the scene. Gene walks up to them.

GENE

Gentlemen, we need to talk.

KEN

We know. The portal came at the wrong place and time.

GENE

No, it's something else.

ZANOM

Huh?

GENE

Yes, some unidentified objects left the portal and flew off just before it closed. You wouldn't happen to...

ZANOM

I don't have a clue.

GENE

This future threat of yours. Is it gone? Did you take care of it?

ZANOM

Yes. It's over.

KEN

Why do I feel like it's just beginning?

The three of them look into the night sky.

ZANOM

(internal)

Something's wrong. I can feel it. What have I just unleashed?

FADE TO BLACK.
